SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, January 17th, there being present Joseph M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain, and C. V. Thompson.

H. B. Hall, agent for the Cowell estate, appeared before the board and stated that the road leading to the residence of Miss Helen Cowell at Menlo Park was in a bad condition and unfit for travel. He believed that $300 would pay for the necessary repairs.

It was ordered on motion of MacBain, seconded by Casey, that that sum be taken from the General fund and expended on the road.

District Attorney Swart stated that the census of the Fourth township, recently taken by Constable Simmons, showed a population of over 2000 on which showing the Constable's salary was raised to $70 per month. The same rule would apply to the Justice of the Peace and he advised that an order be made to this effect.

It was ordered on motion of Casey, seconded by Brown, that the salary of the Justice of the Peace of the Fourth township be raised to $70 per month.

District Attorney Swart presented a written statement to the effect that the recent bond election held in the Montara school district was irregular in many particulars and under the circumstances it would be unsafe for the board to proceed to sell the bonds.

The report was accepted and the Clerk directed to forward a copy to the trustees of Montara district.

Reports were received from Motorcycle officers Brown, Logan, Lowans and Vallejo.

A petition signed by David Cosgrave and others, was presented, asking that an additional light be placed on San Antonio avenue in the Lomita Light District.

The petition was granted on motion of Casey, seconded by MacBain, and ordered referred to the Pacific Gas and Electric Company.

Written notice was received from F. S. Duarte to the effect that the jail rental at Pescadero had been raised from $5 to $10 per month.

The matter was referred to Thompson for investigation and a report at the next meeting.

Mrs. Lena Zeitlmann of Visitacion sent a written notice to the board that in the future she would not need her monthly allowance of $12.50, and asked that it be discontinued.

The matter was ordered referred to the Superintendent of the County hospital with instructions to discontinue Mrs, Zeitlmann's allowance.

A communication was received from the Inland Waterways Association of California, asking that the board's annual donation of $50 be paid.

Brown spoke of the good work of the association and moved that the amount be forwarded to the secretary in San Francisco. He was seconded by Casey and the motion carried.

Notice was received from Newt Roy of La Honda to the effect that Mahoney Bros., builders of the La Honda road, were indebted to him in the sum of $126.25.

A communication was received from the State Board of Charities notifying the board that in the event of the erection of a new County Jail, plans must be first submitted to that body for approval

The communication was ordered filed.

A communication was received from the A. L. Young Company, asking payment of its claim for $2650.90 for culvert pipe delivered to the late Supervisor Blackburn, and used in his district.

MacBain moved that the claim be paid. In seconding the motion Brown stated that since the county had made use of the pipe it should be paid for.

A vote was taken by rollcall and the motion was carried, the chairman voting no, basing his action on the failure of the company to establish its claim in a recent lawsuit.

A. J. Cook of the State Horticultural Commission addressed the board and urged that a county examiner of nursery stock be appointed. He stated that without such an official it is impossible to ship plants out of the county, which would cause a great hardship to growers. The salary of an examiner for each working day is $6. There are three applicants for the position, all of whom are competent.

It was agreed to take the matter up at the next meeting.

A petition, signed by a large number of residents of the Second township, was presented, asking that an election be called for the purpose of determining whether or not liquor shall continue to be sold in that towrship, outside of the incorporated cities.

The petition was accepted and referred to the District Attorney.

The matter of purchasing a jail site was taken up. MacBain moved that the property of Joseph Kerr on the corner of Brewster and Webster streets be purchased for $16,000. He was seconded by Casey and the motion carried.

The offer of J. L. Brown to do the county's official advertising at a reduced rate was laid over until the next meeting on the request of MacBain.

There was a discussion of the matter of completing the State Highway from Beresford to Redwood City. In order that something definite might be placed before the board, MacBain suggested that E. R. Loder, the State Highway Commission's engineer be requested to appear before the board at this meeting. Mr. Loder was communicated with and the matter was laid over until afternoon.

A communication was received from the University Realty Company, making known the conditions on which the county would be permitted to construct the road from Menlo Park to Portola through the Dixon property.

District Attorney Swart presented three policies written by the Firemen's Fund Insurance Company, aggregating $500, for the protection of the county's motorcycle officers.

The policies were ordered filed.

H. C. Tuchsen, secretary of the county Exposition Commissioners, presented a contract which had been entered into with the Rudgear Merle Company for the construction of an ornamental castiron base for the county's topographical map to be exhibited at the exposition, the price being $690.

The contract was approved on motion of MacBain, seconded by Thompson.

A. W. Clark of the firm of Clark & Henery, builders of the Bay Shore road, addressed the board, stating that extra work had been done on the road in the removal of dangerous slides for which work they asked payment.

The matter was referred to the Surveyor to be adjusted during the afternoon.

L. B. Jones who is supervising the work of exterminating the squirrels of the county, presented a written report to the effect that the expense of the work to date is $43.50.

Surveyor Neuman stated that an error had been made in computing the bid of the Gray-Thorning Company at the last meeting for the wire fencing on the La Honda road through the Weeks property, and that Hull Bros. were in fact the lowest bidders.

It was ordered on Motion of MacBain, seconded by Casey, that the board's action at the last meeting in awarding the contract to Gray and Thorning be rescinded and that the contract be awarded to Hull Bros., the low bidders.

The Surveyor stated that an agreement had been reached with Clark and Henery by which their work of removing the slides on the Bay Shore road was assessed at $400.

J. F. Davis, City Attorney of Burlingame presented a petition from the Burlingame City Council, asking that an election be called for the purpose of excluding certain territory of that city which would thereafter be annexed by the City of San Mateo.

Brown insisted that both cities vote on the matter at the same time.

It was ordered, on motion of MacBain, seconded by Thompson, that the matter be referred to Supervisor Brown and Attorneys Kirkbride and Davis for adjustment.

Thompson was authorized to purchase 100 feet of 12-inch culvert pipe and to construct three culverts in his district.

M. B. Johnson of the Advisory Committee addressed the board, stating that with the work of road-building that had been done under the bond issue, money had been saved and there was still funds enough on hand to complete the work as outlined. He advised the board that the Surveyor be directed to proceed at once in the preparation of the plans and specifications necessary for the completion of the work in order that the county may reap the benefit of this great improvement this year. The work can be completed by July next.

Brown inquired of the Surveyor if the work could be completed with the funds at the board's disposal and Neuman assured the board that there was sufficient money.

It was ordered, on motion of Brown, seconded by MacBain, that the Surveyor proceed at once with the preparation of the plans and specifications for the completion of all of the roads.

It was ordered, on motion of MacBain, seconded by Brown, that the report of the viewers, heretofore presented, laying out a new roadway from San Gregorio to Pescadero, be rejected and in lieu thereof the roadway be built over the present road; and that all warrants drawn for the purchase of rights of way over the proposed new road be canceled.

Thompson asked that a survey of the road from Pescadero to the county line in his district be made at once with a view to an early completion of the road. He also asked that the entire board visit his district and view the road in question.

It was agreed to go to Pescadero Wednesday.

A. E. Loder, acting for the State Highway Commission, made a written statement to the effect that if the board would agree to assist in securing the necessary right of way the California Highway Commission would not call upon the county for any further expenditure for right of way, bridges, fencing, or incidents thereto, for the State highway between Beresford and Redwood City, and that as promptly as the right of way can be secured the California Highway Commission will proceed immediately thereafter with the advertisement for bids and the construction of the State highway between said points.

It was the sense of the board, on motion of Brown, seconded by Casey, that the terms of the foregoing agreement be accepted.

The clerk was directed to notify all persons having claims against the Fifth Road District to present new claims.

On motion of Brown, seconded by Casey, Sheriff Sheehan was authorized to have a phone installed in his residence.

A communication was received from the Railroad Commission, notifying the board that unless steps were soon taken to secure an easement across the tracks of the Southern Pacific and United Railroads, the application for the extension would be dismissed.

The matter was referred to the City of San Bruno.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Wizard Marcooni has recently been appointed to be a member of the Italian Senate. He ought to be able to show the politicians how to win without pulling any wires.

The Georgia clergyman who has asked that his salary be reduced may have an ambition to be elected to the Legislature. But if he succeeds he will be very lonesome.

THE BIBLE IN JOURNALISM.

President Nicholas Murray Butler of Columbia University lately lamented the "shocking ignorance" among collegiates of the Bible and English literature. The discovery, comments the Globe-Democrat, appears to have grown out of the examination of a large class in the school of journalism in that institution.

There seems to be nothing to indicate that examinations in Bible literature are more searching in Columbia's school of journalism than in other departments of that university. If, however, they are, the fact is encouraging as indicating that the men in charge of that particular school know well what they are about.

A wide knowledge of Scripture is a valuable aid, even to the "cub reporter." If he has been well grounded in these great basic truths of all possible human experience with which the Bock is filled, he can go into that new world opening befor him, not as a stranger, but as one who has felt, even if he has not yet seen, all of the drama and all of the tragedy of life—and very much of these human frailties and inconsistencies which, in our modern world, go into the making of humor.

He may not be conscious of the sources he is drawing upon in being able to meet and deal, speedily and understandingly, with situations never before coming under his observation, but which he is to put into word pictures so that he who runs may not only read but feel, but he will gradually come to be known as a graphic writer, a "star reporter," and eventually as one who goes where the best men do the best work. And by that time he will begin to understand what has helped him.

Great lawyers freely admit their indebtedness to Bible narative, but we have often thought that the law owes it less than does journalism. If the school of journalism of Columbia University is postponing the admission of young men until they are better qualified, through a knowledge of the Scripture, to lay the foundations of a career, it is doing well, Let them better qualify themselves by a reading of what is the deepest well of the watter of real life ever sunk in this desert land. And if, after reading far into the book, one fails to see that it is an epitome of all human experience, and that knowing it, nothing can be so new to him that he will not know what to do with it, let him abandon journalism as a career. He might ride on its surface cars, but its elevated and its subways are not for him. He is certain to be lacking in the very essentials of complete success.

Robbers Enter Ross Home.

The home of Geo. C. Ross at San Mateo was entered at 1 o'clock Monday morning by a burglar who departed so hurriedly that he abandoned his pair of old shoes and an accumulation of about $1000 worth of jewelry and silverware that he had assembled on a couch in the reception hall. The shoes have been given to the police.

Death of John Mecredy.

John Mecredy, an old resident of Redwood City, passed away quite unexpectedly in San Francisco last Saturday. Mr. Mecredy was the husband of Mrs Annie R. Mecredy and father of Mrs. F. W. Thompson and Miss Miriam E. Mecredy. The funeral was held in San Francisco Monday under the auspices of Fidelity Lodge No. 222, I.O.O.F. Besides his family the deceased is survived by four sisters.

Burglars at Work.

The homes of Frank Wentworth on Arguello street and Andrew Nelson on the Whipple Road were entered by burglars Tuesday night. At the Wentworth home the burglars were scared off before they had secured anything, but at the Nelson home a gold watch and thirty dollars were stolen.

POPULATION OF CITY RAPIDLY INCREASING

City Council Considers Drastic Regulations Governing Sale of Gasoline

The regular session of the city council last Monday evening proved to be one of more than ordinary interest. With all the trustees present, several matters out of the ordinary routine came upfor consideration.

Immediately following the formal opening of the session, Trustee Tuchsen, chairman of the committee on public utilities, informed the council that an investigation by that committee of conditions at the corporation yard had demonstrated the necessity for the immediate erection of sheds for the proper housing of the water wagons and other city property. Considering the matter urgent, the committee had invited bids for the construction of the building needed in conformity with plans prepared by Superintendent of Streets Dickey. Four contractors of the city had answered the call of the committee and their bids were as follows: Frank Zimmerman, $169.85; Chris Cussen, work complete, $150.00, without doors and battens, $125.00; C. S. Thompson, $142.50; A. J. Twombly, $149.00, Without waiting for consideration of the bids, Trustee Deleau suggested their reference to the committee for decision, intimating that some question involving the right of organized labor and on his motion the bids were referred to the committee on public utilities with power to act.

The regular monthly report submitted by the city officers and employees proved of more than usual interest to the general public.

The report of City Clerk Plump and Marshal Colgman showed the total collections of the city for the month to have amounted to $4156.02, apportioned among the several sources of income as follows:

Water rates	945.90
Water connections	100.00
Liquor licenses	2695.00
Miscellaneous licenses	260.00
Plumbers fees	10.00
Taxes	9.10
Improvement Dist. 13	106.30
Improvement Dist. 14	29.72

While the report of the poundmaster indicated that during the past month he had accomplished but little, it indicated that in all probability the coming month will be one of much activity. Attention was called to the fact that dog license tags for the present year were now ready for delivery to applicants upon payment of the usual fee and closed with the caution that in the future an active effort would be made to rid the city of unlicensed dogs.

Another report of particular interest to the general public was that of City Engineer Sears, which indicated that the work of W. indicated that the work of W. H. H. Kelso, acting as his deputy, in designing the official numbers of residences and places of business in the city had been completed and that each householder had been given notice of the correct official number. A report of the census of the population of the city, taken at the same time, indicated that the pouplation of the city at the present time indicated a steady growth, the total number of inhabitants now being 3,240. The report also shows that within the city limits therg is a totalof 771 dwelling houses and 150 places of busines

Following the presentation of this report, Postmaster W. A. Price addressed the council, urging that there should be no delay on the part of householders in the adoption of the official system of numbering as a necessary preparation for the local mail delivery system which is soon to be inaugurated, explaining that under the postal regulations, mail could be delivered only to such residences as had placed the official numbers. Explaining further the promised delivery system, Postmaster Price stated that he had been assured by the Inspectors of the Postoffice Department that the city was to be given more than the usual facilities for the collection of outgoing mail, an allotment of 21 collection boxes, or at least five more that the usual number for a city of this size, being contemplated. To facilitate the work of preparation for the mail delivery, the City Engineer was directed to furnish the postal authorities with an official map of the city, indicating the official numbering.

Following an explanation by Trustee Tuchsen that the work of the Inland Waterways Association was of a character which promised no material benefit either to this city or its environs, it was decided that the monthly subscription of the city to the funds of the organization be discontinued.

The ordinance introduced at the last meeting of the council defining the duties of several of the city officers and employees, with a view to relieving the City Marshal of the routine of office work in order that he might devote his attention more to police duites, was given its second reading and adopted. Following the adoption of the ordinance, Chairman Merrill addressed Marshal Coleman, who appeared for the first time in his new police uniform, as required by the ordinance, and after pleasantly recounting the facts of the many years Marshal Coleman had served the city faithfully as its peace officer, on behalf of the trustees and a number of friends presented that official with a handsome solid gold official badge. On the reverse side of the badge, which is of the regulation form, is engraved the following statement of its purpose: "Presented to James P. Coleman by the people of Redwood City 'n appreciation of his services, January 18, 1915." Taken entirely by surprise, Marshal Coleman was too much overcome by this evidence of appreciation of his efforts to make other reply than to extend his thanks.

At the suggestion of Trustee Hahir, City Attorney Mansfield was directed to prepare an ordinance regulating the height of division fences in residence sections. In offering his suggestion, Trustee Hahir explained that it was his design to guard against the possibility of the erection of what are generally termed "spite fences" in advance of the necessity for such action.

Chairman Merrill reported that of late he had been in receipt of numerous complaints of residents against the disturbance caused by the conduct of so termed "all night dances," at which the participants frequently evaded the provisions of the law requiring the closing of saloons at midnight by providinng themselves with a private supply of liquor. After some little discussion the complaint was referred to the police committee with the understanding that some measure to provide relief should be suggested.

City Attorney Mansfield presented the draft of an ordinance designed to require drivers of rent automobiles to display signs indicating their rates of hire. The ordinance was approved and given its introductory reading.

An ordinance designed to regulate the storage and sale of gasoline and containing some rather drastic provisions affecting both dealers and purchasers, was introduced and given its first reading. The ordinance will come up for final consideration at the next regular meeting.

On January 14, 1881, 33 years ago Thursday, a flood three feet deep came rushing down from Five Points caused by a cloud burst. The creek over which this office is now located flowed three feet over the bridge for an hour or more and was saved by the people under the able leaders, Sheriff George W. Green, John Crowley, Peter Doye, Julius Tyler and Lewis the colored barber. Dan Mullen carried pedestrians from Germania hall to the Grand hotel.

Ludwig Werder has just received word from his cousin, Adolph Sandmann, that he is being held a prisoner of war by the English forces in Hong Kong. Mr. Sandmann, who is well known in Redwood City, is an employe of the John Rotchild Company of San Francisco and was sent to the Orient by that company.

Mrs. Robert Brown, president of the local Red Cross society, is desirous of having donations of old clothes made to her for several needy families in the neighborhood of this city. Any kind of clothes for men, women or children will be most acceptable. If those having articles to give will drop Mrs. Brown a card she will call and collect them and distribute them to those in need.

Marshal James P. Coleman appeared for the first time in his bright new brown uniform on the streets yesterday. He is now the chief of police of Redwood and is giving all his attention to policing the city, having been relieved of his numerous other duties by the board of town trustees. Mr. Coleman looks striking and dignified in his new "togs" and is being saluted on all sides by his army of friends. He will make a splendid officer.

County Exposition Commissioner A. C. G. Hahn is making arrangements for a county school exhibit at the Exposition of hand work in the nature of manual training, domestic science and art work. The local grammar and high schools will sent exhibits as will the San Mateo grammar and high schools. Mr. Hahn wishes to feature the proposition that San Mateo county is a a place of beautiful and comfortable homes and of fine, well equipped schools.

"Live and Prosper in Redwood City, the Heart of Sunny San Mateo County," is the caption of a mammoth poster just put on the bill boards of San Francisco and Redwood City by Ira L. Schlesinger, who has succeeded to the bill posting business on the penisula of J. Charles Green Company. Mr. Schlesinger was here yesterday and states that he will open an office here and will reside in Redwood City. Ralph Strothers is to have charge of the office. Mr. Schlesinger promises to boost San Mateo county on all occasions.

Services will be as follows: Morning prayer and sermon at 11 o'clock, evening prayer and sermon at 7:30. The rector will preach at the evening service.

Judge Buck Sustained.

The remittitur from the Supreme Court in the case of Carl A. Westergreen and others against Alice E. C. Beer and others was received at the county clerk's office during the week. The Supreme Court confirms the decision of Judge Buck rendered some years ago in the case.

"This action was one to declare a resulting trust in certain real property, and to compel a conveyance to plaintiffs of their alleged respective interest therein, and is founded upon the following alleged facts:

"Ida Danielson, the mother of the plaintiffs and of the defendant, Alice E. C. Beer, died, leaving an estate consisting of certain real property in Redwood City. She left a will, which was duly admitted to probate, and in accordance with the terms of the will, the property which is the subject of the action was distributed share and share alike to her children, namely, the defendant, Alice E. C. Beer, one Lizzie M. Westergreen and Carl A. and John A. Westergreen the plaintiffs. Both of the plaintiffs were then minors; and shortly after the decree of distribution was made, Jas. Crowe, the Public Administrator of San Mateo county, was appointed their guardian by the Superior Court. On or about December 1st, 1902, Jas. Crowe as the guardian of the estate of the said minors, filed in the Superior Court of San Mateo county, a petition for an order of sale of the minors' interest in said property, alleging that a sale was necessary in order to prevent the state and county taxes thereon from becoming delinquent, and to prevent the same from being sold for taxes. The petition was granted by the court, and the order of sale made, pursuant to which the interests of the plaintiffs in the property were sold, and at said sale were purchased for the defendant, Alice E. C. Beer, by her husband, who acted as her agent in the matter and who afterwards conveyed the property to her by deed of gift. The sale was confirmed by the Superior Court, and James Crowe, as the guardian of the plaintiffs executed a deed to the property to the purchaser. At the time of the sale the plaintiffs were minors, and the defendant, Alice E. C. Beer was an adult." Ross & Ross were the attorneys for the successful litigants.

Funeral of Peter Faber.

Peter Faber, a retired farmer of Colma and a respected citizen of the north end of the county for many years, passed away last Friday at his Colma residence and the funeral was held Monday morning.

At 9:30 o'clock the remains were taken to the Holy Angels Catholic church where a requiem high mass was celebrated at 10 o'clock. Interment followed at Holy Cross cemetery.

Mr. Faber is survived by his widow, Mrs. Christina Faber, and three sons and two daughters: Mrs. Charle F. Fick, and Louise Faber. He was a native of Luxemberg, 70 years old.

Equalizing the Burden.

By the abolition of the state poll tax at the last election by the voters of California, San Mateo county loses the sum of $5774. This money went towards maintaining the schools and it will have to be raised in another way. The supervisors at their next levy will have to provide for a rate of 2 cents on the hundred dollars of the assessable property of the county, to make up the deficiency. By this method the poor man will be the gainer. A taxpayer having a house and lot assessed for $500 will only have to pay the insignificant sum of ten cents and a persons assessed for $10,000 will just pay the amount he formerly paid for his poll tax, $2. The burden, therefore, will be on the rich.

PASSING OF PROMINENT PIONEER OF COAST SIDE

George W. Shoults, one of the pioneers of San Mateo county, a resident of the coast side for more than half a century, passed away at 6:30 a.m. yesterday morning at Dr. Plymire's hospital at South San Francisco, to which place he had been removed from his home a few days previous for the purpose of undergoing an operation. Some months ago he fell from a ladder while making some repairs at his home in Halfmoon Bay and his death resulted from the injuries sustained at that time. He came to California in the early '50s and settled at Purissima, where he resided until a few years ago, when he retired from farming and took up his residence at Halfmoon Bay. He is survived by a widow, two sons and three daughters. The deceased was an uncle of former district attorney J. J. Bullock of this city.

Doing a Great Work.

The annual report of St. Luke's Hospital of San Francisco which has just been received shows the remarkable growth of that institution during the last year. During this time it has been housed in its new, up to date and beautiful building which was acquired through the generosity of Mrs. L. F. Monteagle, Mrs. Whitelaw Reid and Mr. Ogden Mills.

The amount of chairity work has almost doubled and the work in the pathological and clinical laboratory, X—ray department and operating rooms show the scientific consideration that is given all cases in order to obtain a correct diagnosis and proper treatment. The small percentage of deaths also speaks well for the nursing and care given all patients whether they are pay patients or charity patients.

On the whole it would show St. Luke's Hospital to be an institution that is not only keeping up with the times but is one that is striving for advancement along all lines.

War Boosts Exposition.

Elbert Hubbard of East Aurora, Erie county, New York, in a letter to the Panama Pacific International Exposition Commission of San Mateo county, dated January 13th, 1915, has this to say regarding the outlook for the fair: "I was down to New York yesterday and it seems to be the impression everywhere that the European war will increase the California travel decidedly during the year 1915, Going to Europe is out of the question and a great number of people who usually make the European trip are now talkin California. Thus does Emerson's law of compensation never rest."

Murderer Seeks Parole.

Joseph Briggan, a well-known resident of this city, who has spent the past twelve years in San Quentin, serving a life sentence for murder, will shortly ask for a parole, promising that if granted his freedom he will return to his native country, Switzerland, and there remain.

James T. O'Keefe, who defended Briggan at his trial, is preparing his application for release. Many affidavits have been secured which testify to the good character of Briggan previous to the crime. This and the fact that he has been a model prisoner, and is now eligible to parole, and the additional fact that he will permanently remove from the country, may make his attempt to secure his liberty successful. It is said that he will not be opposed by the county officers.

WEDDING ANNIVERSARY IS OCCASION FOR CELEBRATION

Mr and Mrs. F. W. Glennan were given a surprise party at their home Monday night in honor of their twenty-fifth wedding anniversary. The evening was spent at progressive whist, Mrs. Emily Webster of San Francisco winning the first prize and Mrs. W. H. Kinne the booby prize. While the game was in progress the players enjoyed some excellent music. Dainty refreshments were served as a conclusion of the happy event. Those present were Mr. and Mrs. Anderson, Mr. and Mrs. Dielman, Mr. and Mrs. Edward Gould, Mr. and Mrs. Fox, Mr. and Mrs. Rogers, Mr. and Mrs. Hess, Mr. and Mrs. Dickey, Mr. and Mrs. Kinne, Mrs. Webster of San Francisco, Will Smith of San Francisco, Mrs. Armstrong of San Mateo, Mr. and Mrs. Glennan, Floyd, Alleen and Ruth Glennan and Harold Anderson.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Culled from the Public Records.

The papers in the case of Frank Davison against George Lagomarsino that was appealed from the justice court of the Second township were received at the county clerk's office during the week: Last July the suit was commenced in the justice court at San Mateo by plaintiff to recover the sum of $299.99 from defendant for damages alleged to have been sustained by being run into by an automobile operated by Lagomarsino. Davison's car was badly damaged. Judge McCormick rendered a verdict in favor of Davison for $109.50 and costs in the sum of $6.50. Defendant was not satisfied with the decision and has appealed to the Superior Court.

Appraisers Appointed.

Judge Buck has appointed H. W. Schaberg, inheritance tax appraiser of the estate of Hannah S. Johnston, deceased.

Final Decree Granted.

Judge Buck has granted a final decree of divorce to Benjamin F. Cherry from his wife, Evangeline Mabel Cherry. The interlocutory decree was granted on May 13th, 1913.

Appraisers File Reports.

R. F. Chilcott, inheritance tax appraiser of the estate of Margaret Fraser, deceased, has filed his inventory and appraisement. The total value of the estate is placed at $2305. It consists of cash on deposit amounting to $2305, a lot in the Eagle Nest Tract valued at $100 and stock in oil companies of an unknown value.

New Probate Applications.

Henry F. Butts has applied in the Superior Court for letters of guardianship upon the person and estate of Hermann F. J. Butts, an incompetent person. The estate consists of an interest in the Butts ranch at Purissima. The petitioner recites the fact that Herman Butts is unable to care for his property and may be the victim of designing persons. The petition will be heard on January 28th.

Criminal Information Filed.

District Attorney Swart filed an information against F. Lombardi, the South San Francisco murderer, in the Superior court yesterday. Lombardi will be defended by Archer Campbell, who made the race for the office of district attorney last August. An information has also been filed against M Filimini. He is charged with failure to provide for his minor children.

Glenn Held to Superior Court.

Alexander T. Glenn, who is charged with the killing of Walter Bloom at Pescadero last December, had his preliminary examination before Justice Seely yesterday afternoon and was held over to appear before the Superior Court. Only two witnesses were examined, I. T. Bloom, father of the deceased, and Harry Delamater. Jas. T. O'Keefe, defended the prisoner, did not disclose his line of defense at the preliminary examination. District Attorney Swart prosecuted the case.

New Building Contracts.

D. G. Loureiro has brought an action in the Superior Court against the Pacific Gas and Electric Company to recover damages for the death of his son, in the sum of $7800. The complaint alleges that on February 4th, 1914, Jose D. Loureiro, a son of plaintiff, aged 19 years was riding a horse on a side street near San Mateo Homestead when he received an electric shock from an overhanging wire, belonging to the company which resulted in the almost instant death of the young man. Plaintiff alleges that the defendant was careless in permitting the wires of the poles to break and hang for several ldays within six feet of the ground. The poles and wires should have been repaired by the company. Aylett R. Cotton and Hamilton R. Bauer are the attorneys for the plaintiff.

Bertha E Neal has brought an action for an interlocutory decree of divorce in the Superior Court against her husband, George Neal, the well-known butcher of Belmont. The Neals were married in San Francisco on February 4, 1906. Extreme cruelty is the ground on which the suit is brought. The community property consists of a house and lot at Belmont worth about $4000. Mrs. Neal asks for alimony in the sum of $50 a month and attorney fees nn the sum of $150. The Neals have no children.

Annual Church Meeting.

The First Congregational Church held its annual meeting Thursday night and received reports and elected officers for the coming year. Financially the church begins the year without debt of any kind and with pledges of sufficient support to continue all of the present activity. There are 228 members on the roll, 184 being local residents and 44 who have moved to other sections, but who retain membership here. Besides the running expenses and the salaries paid, approximately $750 was given to missions and charities. There is a Sunday school of 150 members, a Christian Endeavor Society of 44 members and a Junior Society of 25 members connected with the church. The officers elected were: Trustees, C. M. Doxsee, D. M. Williams, Roy W. Cloud, R. W. Mantz, and Henry Martins. Deacons, Donald Mackenzie, Chas. Bettin, S. P. McCrea and J. L. Pipkin. Deaconesses, Mrs. Robert Brown, Mrs. C. Bettin. Clerk, Miss C. M. Shelly. Sunday school superintendent, L. P. Behrens. Treasurer, C. H. Woodhams.

After the business of the evening, Rev. C. H. Stevens, the pastor, thanked the members for the loyal support given during the year and asked for a continuance of the same. The meeting was then turned over to Earl Eikerenkotter, president of the Endeavor Society, and an excellent program, consisting of reading ad instrumental and vocal selections was given. Refreshments were then served which helped to make the affair one of the pleasantest in the history of the church.

Will Consult Women.

The Panama Pacific International Exposition Commissioners of San Mateo county have sent an invitation to the different women's organizations in the county, asking them to send a delegate to meet the commissioners at their office in the court house, Redwood City, on Monday, January 25th, at 11o'clock. The subjects to be discussed are, entertainments, manner and method of procuring cut flowers, of celebrating San Mateo county's day, and other days of special events.

LOCAL NEWS NOTES OF MENLO PARK

Intererting Paragraphs of General Interest Gathered - About the Town

The stork left a bouncing baby boy at the home of J. J. Tuttle on Saturday last, January 16, 1915.

Mr. and Mrs. Tevis, nee Girvin, departed yesterday for Santa Barbara to spend the winter. They had been stopping here for the last week with Mrs. Tevis' parents, Mr. and Mrs. R. Girvin.

Mrs. James L. Flood will entertain some of her friends at a luncheon party in San Francisco next Monday.

Mr. and Mrs. Perry Eyre of Menlo Park and their daughter, Miss Elena Eyre, are in town for a month or two and are occupying the home in Gough street of Mr. and Mrs. Eyre Monroe Pinckard.

A party of capitalists is about to establish a jitney line between the College City and San Mateo. The fare from here to the latter place is to be 25 cents and from here to Palo Alto 5 cents.

The Howard Ellison Company of Redwood City is engaged in turnpiking the extension of OakGrove avenue between the Nickel and Donohoe estate preparatory ot macadamizing and oiling it. The street will be finished to the A. Taylor residence and will cost the sum of $1100.

Chas. Harkins, the engineer, appeared before the railroad commission yesterday at San Francisco and argued the rate case now pending before that body. Mr. Harkins argued for a reduction of the rate of the Bear Gulch Water Company and for better supply of water. It is believed the commission will soon hand down a decision.

A number of the prominent young ladies of the village will give an L' Envoi dansant in Duff and Dolye hall this evening. It is an invitational affair, strictly select and exclusive. The Fox Trot and the Broadway Glyde and other dances will be indulged in by the happy young people who will be there. The event is sure to be an enjoyable one.

If the bill now pending before Legislature making it unlawful to conduct a saloon within a mile of a university or college becomes a law, the saloons may again flourish in Menlo Park. This act will supersede, or take the place of the law making it unlawful to operate a bar within a mile and a half of any university. Menlo Park is just outside the mile limit, measuring the distance from the entrance to the university at Palo Alto.

A Pontifical requiem mass was celebrated at St. Patrick's Seminary on Wednesday last for the repose of the soul of the late Archbishop P. W. Riordan. The mass wass sung by Bishop Hanna, assisted by Rev. Ayrinhac, president of St. Patrick's Seminary. A number of the prominent clergy of the diocese were present and departed in the afternoon for their homes. Bishop Hanna delivered a touching eulogy on the pure life and good deeds of the departed Archbishop.

The railroad company up until two months ago maintained two lights at the depot here but since then only one burns to warn pedestrias of incoming and outgoing trains. It is very dark at night at that particular point and two lights are needed and in fact are necessary to prevent accidents. This is false economy on the part of the company, for if any passenger is injured the damages they would receive in law suit would maintain many electric lights at the depot for a great many years. It is a case of "penny wise and a pound foolish."

A petition is being circulatin town and it is receiving the signatures of everyone. It is to be forwarded to the superintendent of the Southern Pacific Company, asking him to repair the square in front of the depot. The language of the petition is very strong, setting forth the necessity of the improvement and showing the results from such repairs. It is believed the supprintendent will make some move at once to put the property of the company around the station in a passable condition. Some property owners go so far as say they will revive the agitation to incorporate the town if the improvement is not made. If the town were incorporated the railroad company could be compelled to do the work. It is to be hoped something will be done to make the required improvements so that there will be no further agitation.

Natives Honor Brother.

A silver watch engraved with the significance of its presentation was formally handed to Edward A. Hansen of Palo Alto in Masonic Temple during the installation Monday night of the new officers of the Palo Alto parlor of Native Sons.

Ed. Hansen, who left Palo Alto on Wednesday and was married in San Francisco, accepted the gift with feeling words and promises that wherever he might go he would always preserve his membership in Palo Alto's parlor.

The speech of presentation was made by Geo. W. Tinney, who rather surpassed in his friendly expressions the toasts of such spellbinders as Bert Henshaw, District Attorney Arthur Free, A. Waterman, W. J. Benson, all of San Jose, and James Walsh and Herbert Johns of Santa Clara.

POURING A BUILDING

That's a new use of an
old word—pouring
There were stone masons
brick masons
hod carriers
carpenters lathers
shinglers
—and now
They pour a building
floor—walls—roof
all of concrete
all growing together
to form a solid stone
which lasts forever
and won't burn

CONCRETE

It's a latin root and means:
"to grow together"
Concrete was used in the
columns which adorn the
peristyle of the
Egyptian labyrinth and
the great length of time
it has existed
(over 3600 years)
shows the durability of
this mode of construction
The Romans made free use
of concrete
in constructing walls,
aqueducts, piers and roads.
many portions of which
exist at the present time
The building of
THE REGENT
photoplay house at
San Mateo is being done
by pouring concrete
the everlasting material
which grows together
and can't shake down
or burn up
At THE REGENT the
audience will have the
sense of security
experienced on solid
ground
The building will be so
solid and substantial
so permanent and fine
that you will have pride
in attending the high-class
performances thrown
upon its screen
In addition to solidity
there will be ventilation
perfectly arranged
—pure air in abundance
and the auditorium
vacuum cleaned every day
Whatever of improved
methods in building
construction the
architects and engineers
and experience have
developed will be used in
the making of
THE REGENT an
absolutely safe
photo-play house

STOP BUYING EXPENSIVE COUGH REMEDIES

Make the Best at Home

Money spent for the old style ready-made, cough syrups in bottles holding only 2 to 2½ ounces is very largely wasted, because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it was all medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to Ryan's Drug Store and ask for 2 ounces (50c worth) of Schiffmann's Concentrated Expectorant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, croup, hoarseness and whooping cough. One bottle will make enough home-made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above druggist has been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy under this positive guarantee.

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.

NOTICE TO BIDDERS.

For Constructing a County Highway.

OFFICE OF THE CLERK OF THE BOARD OF SUPERVISORS.

San Mateo County, California.

December 21st, 1914.

Sealed bids will be received by the Clerk of the Board of Supervisors of San Mateo County, at his office until 10 o'clock A. M. Monday, February 1st, 1915, for the construction, of 2.436 miles of highway beginning at the intersection of the southerly line of the pavement on the State Highway from Redwood City to Palo Alto with Santa Cruz avenue, Menlo Park, and extending in a southerly direction to the intersection of Menlo Park-Portola Road with the road to Palo Alto through the Stanford estate, located in the Third Road District and known as Route 7, Section 1, of San Mateo County Highways.

Specifications for this work are on file in the office of the Clerk of said Board, to which bidders are hereby referred.

All bids must be made upon blank form to be obtained at the County Surveyor's office of said County, at Redwood City; must give the prices proposed, both in writing and figures, and must be signed by the bidder with his address.

The bid is to be accompanied with a certified check equal to ten (10) per cent of the total of the bid, upon the condition that if said bid shall be accepted, the party bidding will duly enter into the contract and faithfully perform his contract in accordance with his bid and the plans and specifications. Such check to be made payable to said County of San Mateo.

A common law bond will be required for the faithful performance of the contract in such sum as shall be fixed by said Board of Supervisors after the bids are opened: said sum shall not be less than one-fourth (¼) and not more than one-half (½) of the estimated amount of the contract; and a further bond, in a sum equal to one-half (½) of the estimated amount of the contract must be furnished as required by the terms of an Act entitled "An Act to secure the payment of the claims of material-men, mechanics, or laborers employed by contractors upon State municipal or other public works," approved March 27th, 1897, and Acts amendatory thereof.

The contractor to whom the contract may be awarded will be required to appear at the office of the County Surveyor, with the sureties offered by him, and execute the contract within ten (10) days (not including Sunday) from the date of the awarding of the contract, and in case of failure or neglect so to do he will be considered as having abandoned it, and the check shall be forfeited to the said County of San Mateo

Bids must be enclosed in a sealed envelope, addressed to the Clerk of the Board of Supervisors, and must be endorsed "Bids for the construction of a Highway on a portion of he Menlo Park to Portola Road."

The Board reserves the right to reject any and all bids.

JOS. H. NASH,

Clerk of the Board of Supervisors of San Mateo County, California. 12-26-4
